1949 Homecoming

NOVEMBER 18-19

# Milwaukee School of Engineering

## Come "Home" to M.S.O.E.

**for two full days of inspiration, renewing of contacts, and just plain fun!**

**That's what the 1949 Homecoming, November 18 and 19 offers you. Join your School's re-dedication to the theme "Cooperation Today—A Stronger Industry Tomorrow."**

**Your Homecoming General Chairman, Gerald W. Anderson, aided by Richard J. Ungrodt, Faculty Chairman, and Robert W. Sundeen, Student Chairman, have planned a series of events to please every taste.**

**Working behind the scenes in aligning alumni activities with the committee's plans are V. Robins Tate, E.A.A. President; Roy Pinnow, MSOE A.A. President; Aaron C. Bocher, A.A.E.F. President; Conrad A. Bauer, '48 General Chairman; and Donald Runnoe, Industry Liaison. Chairmen of the Five-Year Classes are: Charles F. Parske, '04 to '14; Charles R. Lund, '19; Elwood R. Mellen, '24; Harry W. Henning, '29; B. T. Anderson, '34; Jesse W. Pomazal, '39; Art. H. Graettinger, '44; and Frank P. Lederer, '49.**

**On the serious side, you'll hear two technical talks, one on refrigeration and one on radio. You'll have the opportunity of seeing the physical strides your School has made in the past year. You'll have Alumni Association meetings to attend. You'll participate in the dedication of MSOE's new 1,000 watt amateur radio station.**

**Your committees haven't neglected the lighter side of Homecoming. There will be an Open House, a Luncheon, a Cocktail Hour and Reception, the Homecoming Dinner and Dance, and Class and Fraternity Reunions.**

**But perhaps most important of all, when you come to the 1949 Homecoming, you'll see your old classmates, you'll renew never-forgotten friendships, and you'll meet new friends.**

**The program is inside this folder. Your reservation is on the back. After you fill in the blanks, be sure to mail it to MSOE right away so that your friends may know you're coming "home" for Homecoming!**

1949 Homecoming

NOVEMBER 18-19
